

Accommodation Request for Exchange Students at Ruhr-Universität Bochum Winter Semester 2018/2019

- The International Office will try to reserve your desired room, but cannot **guarantee** a reservation. In case there is no adequate accommodation available, we will inform you as soon as possible.
- The minimum time for renting a room is two months. The maximum duration of stay in our rooms is **one year**.
- In the **shared flats**, male and female students live together and share kitchen and bathroom. If you chose “shared flat” on the request, you agree to live together with both male and female students.
- In **single rooms** students live together on one floor and share the kitchen. Separate toilets and showers are available for men and women.
- Only some of our rooms and apartments are barrier-free, some apartments are carpeted and might not be practical for persons with allergies. Please let us know if your room should be tailored to any particular needs.
- Rooms/ apartments are furnished and the cost for gas, electricity, heating and internet are included in the rent. Currently the rent varies between 260 and 365 Euro per month **depending on location and size of room**. Click [here](#) to get more information about the estimated living costs in Bochum.
- You need to pay the deposit (two-month rent) within two weeks after you received your confirmation of reservation. Once you have paid the deposit your reservation is binding.
