Course Catalogue <http://international.rub.de/gaststudis/ankunft/studienorganisation.html.en>

Language Proficiency Most of the courses at RUB are taught in German. There are courses in English that are published in our International Course Catalogue. Students should have a good knowledge of German, at least a B1/B2 level for courses taught in German.

Language courses During the term, exchange students have the chance to attend language courses free of charge:
German: www.daf.ruhr-uni-bochum.de/sbgk/index.html.en
Others: www.zfa.ruhr-uni-bochum.de/sprachen/index.html.en

Credit System Courses at RUB are credited with credit points (CP). 1 CP is equal to 1 ECTS.

Grading System RUB uses the German grades from 1-5 (1 = very good, 5 = fail). There are some faculties using percentages (0-100%).

Master's Thesis / Project For students who intend on completing a project or a Master's thesis, it is important to establish contact with a supervisor at RUB before arrival. The International Office can help find a supervisor. In order to contact the right department, we need to know which subject the project will be carried out in.

Tuition Fees There are no tuition fees, however, each student must pay a semester contribution fee (approx. €320 per semester) which includes a travel ticket for public transport.

Accommodation

The International Office offers a special service for exchange students. Students can apply for accommodation for the duration of their exchange (1-2 semesters). Since the International Office can only reserve a limited number of rooms for exchange students, early registration and flexibility is useful. Information on the accommodation application can be found here: <http://international.rub.de/gaststudis/accommodation/index.html.en>

Arrival and Enrolment

Enrolment The exact date and time for exchange students' enrolment at RUB will be announced by email shortly before semester starts.

Pick-up Service The student group 'Erasmus Student Network' (ESN) offers a pick-up service for new exchange students at the beginning of each semester. Information about the pick-up service will be sent with the booking confirmation of accommodation.

Orientation Course Every semester we offer an Orientation Course for exchange students including a language course and social activities. The

course starts before the lecture period officially begins (mid-September and mid-March). The price for the course is about €300 and there is a limited number of places. Exchange students, who are eligible, will receive an invitation via email.

Orientation Days

At the beginning of each semester, Orientation Days are held for international students. Here they get the chance to meet other students and receive important information. Exchange students will be informed about this offer via email.

Estimated Living Costs (in € per month)

Accommodation	Between €260 and €400 in a dormitory Between €300 and €500 in a private apartment
Licence Fee (TV taxes)	Approx. €18
Food	Approx. €150
Academic Expenses	Approx. €40
Personal Expenses	Approx. €150 (depending on personal needs)
Health Insurance	Approx. €90

Visa Requirements and Residence Permits

Citizens of the European Union do not need a visa for Germany. Citizens from other countries need to check with the Federal Foreign Office to see whether or not a visa is required. Incoming students are responsible for obtaining a visa if needed. Information can be found at:

<https://www.daad.de/deutschland/nach-deutschland/bewerbung/en/9199-visas/>

In order to apply for a visa or an extension after arrival, the student has to bring proof of finances.

After arrival, each student who is staying for more than 3 months has to register at the City of Bochum.

Health Insurance

European students with the “European Health Insurance Card” do not need to take out health insurance in Germany. Students from Turkey can bring the form “T/A 11” acquired at their own health insurance company. Students from non-European countries can register for German student health insurance, which generally costs approx. €90 per month.

Bank Account

We recommend that students open a German bank account to make payments of rent and the semester contribution fee easy. A bank account for students is usually free of charge.
