

Web Development Internship in Scotland, UK

GLOBAL VOICES is a fast growing small-size international language company with operational headquarters in Scotland. We provide our services to a wide range of companies and organisations worldwide. We are looking for trainees to join our head office in Stirling.

Requirements:

- ✉ English language knowledge
- ✉ Good level of communication skills and good manner

- ✉ Appreciation of Content layer technology: PHP, HTML
- ✉ Knowledge of website design and content
- ✉ Knowledge of Database programming and management
- ✉ Strong IT skills to help with general office IT maintenance
- ✉ Consistent and able to work individually as well as part of a small multicultural team
- ✉ Minimum placement time - 3 months

The internship will be undertaken in our IT business department. Responsibilities within the company will include analysis of back-end functionality to improve and develop service (e.g. reporting and instant invoicing developing application that allows end users to access the service from different sources), maintaining the website and suggesting innovations for increased sales and potential new services or new customer groups and tasks related to the requirements stated above.

If interested, please apply by emailing your CV.
